# The Jack Bennett Trophy

The Jack Bennett Trophy is dedicated to the memory of the late Jack Bennett who was a founder member of the group.

Projects could contain original safety ideas or effective health, safety and environmental systems, which can or have been developed and used by individuals or organisations. Participants may also submit entries which demonstrate methods of accident prevention, safety promotion, or education and training schemes. Such entries should demonstrate a basic understanding of hazard and risk and how they could be managed.

This trophy is for entries from Secondary Schools, 6th Form Colleges and Colleges of Further Education, Apprentice Training Schemes and Youth Organisations with members aged 10 and over.

## **Previous winners include:**
